1. Home

The landing page displayed after logging into the U.S. National Development Program (USNDP) Grant Management Center

2. Application

Access and manage USNDP Grant applications during open application windows. This section is inaccessible when the application window is closed

3. Application Status

View the status of all incomplete and submitted applications

4. Manage Funds

View and manage all USNDP funding, including creating, submitting, and editing reimbursement requests within each respective funding source

5. Reimbursement Status

View the dates and details of all reimbursement requests, including saved, submitted, returned, approved, and paid requests

6. Resources

Access reimbursement portal help articles, portal help videos, 2025 USNDP webinar recordings, and the *Be My Champion* Podcast videos
